

HSA's Done Right!

Health Savings Accounts

Can a Health Savings Account Help My Employees?

- **Lowers** their insurance **premiums**
- **Reduces** their **taxes**
- Saves money **tax-free** for **retirement**
- Pays **tax-free** for qualified **medical expenses** including dental, vision, and preventive care
- **Saves** their **money** ~ **grows** their **money!**

And that's just the beginning...

Employees own it with total control and privacy

Simple to use with no paperwork or claims to file

Anyone can deposit into the HSAs and employees get the tax benefit

What employees don't spend **rolls over** year after year **earning tax-free interest**

It's **portable** and **follows employees**, even if they change jobs, insurance, or move out of state

At **55 or older**, add an additional **\$1,000 catch-up** contribution

Option to invest for a higher rate of return, **tax-deferred**
