

HSA's Done Right!

Health Savings Accounts

Can a Health Savings Account Help Me?

- **Lowers** your insurance **premiums**
- **Reduces** your **taxes**
- Saves money **tax-free** for **retirement**
- Pays **tax-free** for qualified **medical expenses** including dental, vision, and preventive care
- **Saves** your **money** ~ **grows** your **money!**

And that's just the beginning...

You own it with total control and privacy

Simple to use with no paperwork or claims to file

Anyone can deposit into your HSA and **you get the tax benefit**

What you don't spend **rolls over** year after year **earning tax-free interest**

It's **portable** and **follows you** even if you change jobs, insurance, or move out of state

At **55 or older**, add an additional **\$1,000 catch-up** contribution

Option to invest for a higher rate of return, **tax-deferred**
